

JOB OPPORTUNITIES – IN SALLUIT and DORVAL

TAQRAMIUT NIPINGAT INC., the Inuit Radio and Television Company of Nunavik, invites interested and motivated persons to apply for the positions of **Radio Producers (2 positions)** for our radio production centers in Salluit and Dorval.

We are looking for students who are outgoing and motivated to work as Radio Producers.

The candidates will have the opportunity to work alongside a radio production trainer who will teach them how to use the radio equipment and create their own radio show which will be broadcast on the Taqramiut Nipingat regional radio network.

Radio Producers (4 positions)

Under the supervision of the Director of Operations, the **Radio Producers** prepare radio programs and segments for broadcast related to traditional and cultural issues. The main tasks related to these positions are to identify story and program ideas, operate production equipment, read, host, announce and interview on and off air.

The candidates that we are looking for have an interest in the field of communication and are willing to learn the profession. You must be fluent in Inuktitut. Experience in the field of communication and knowledge of another language (English or French) would be definite assets. Training will be provided during employment.
